

## اتفاقية

الجمعة 20 نوفمبر 2015

تمّ يوم الثلاثاء الماضي الموافق لـ 17 نوفمبر 2015 إمضاء اتفاقية بين وزارة التربية ووزارة تكنولوجيا الاتصال والاقتصاد الرقمي من جهة ومؤسسة Millenium@EDU Sustainable Education من جهة أخرى حول إقحام تجربة أقسام رقمية في ثلاث مؤسسات تربوية نموذجية لتقييم التجربة في اتجاه تعميمها تدريجيا على بقية المؤسسات التربوية. وفيما يلي نص الاتفاقية:

## Letter of Intent to Millennium@EDU Sustainable Education TUNISIE@EDU

This letter has been prepared by Tunisian Ministry of Education and Tunisian Ministry of Communication Technologies and Digital Economy to announce our intention to apply for Millennium@EDU Sustainable Education Program.

This letter declares our intent to collaborate in the project entitled Millennium@EDU Sustainable Education through National Center Of Technology in Education (CNTE) : Ministry of Education and our interest for signing a Memorandum of Understanding (MoU) with the Millennium@EDU Sustainable Education via :

- Equipment of three pilot rooms in 3 pilot schools in collaboration with Ministry of Education and Ministry of Communication Technologies and Digital Economy,
- Implementation of technical infrastructure for classrooms under the concept of « Model Classroom » of Millennium@EDU,
- Development with the cooperation between Tunisian Ministry of Education, Tunisian Ministry of Communication Technology and Digital Economy and Millennium@EDU Sustainable Education, of educational initiatives related to collaborative projects between schools in different countries.
